- **DURABLE AND LONG-LASTING** - crafted from strong, premium bamboo, our wood golf tees are built to last. They can withstand multiple strikes without breaking, making them a long-lasting addition to your golf accessories. Their durability also means you'll spend less time replacing broken tees and more time focusing on your game
- **BRIGHT AND EASY TO SPOT** - each pack includes 8 bamboo tees of each size: 25mm (green), 43mm (red), 50mm (blue), 60mm (pink), and 70mm (orange). The vibrant colours make it easy to find your tees after a shot or when they are loose in your golf bag. The bright, lead-free paint ensures visibility without compromising environmental safety

Product description

Environmentally Conscious Design

Introducing Ecotee Bamboo Castle Golf Tees, the eco-friendly choice for golfers who demand quality and sustainability in their game. Our bamboo golf tees are crafted from premium bamboo, a fast-growing, renewable resource that helps reduce the environmental impact of your golfing experience. By choosing Ecotee, you're not only improving your game but also contributing to a greener planet.

Vibrant and Easily Identifiable

Each pack contains 40 tees in a mix of five different sizes, ensuring you have the right tee for every club and shot type. The sizes included are 25mm (green), 43mm (red), 50mm (blue), 60mm (pink), and 70mm (orange), with 8 tees of each size. These bright and vibrant colours make it easy to spot your tee after a shot, saving you time and frustration on the course. Plus, the lead-free paint used on our tees is safe for both you and the environment.

Precision and Consistency

One of the standout features of our castle tees is their consistent performance. By ensuring your golf ball is always teed up at the same height, you can achieve more reliable and consistent strikes. This consistency is essential for improving your accuracy and overall performance on the course. Whether you're using a driver, wood, hybrid, or iron, our tees provide the perfect height for each shot, helping you play your best game.

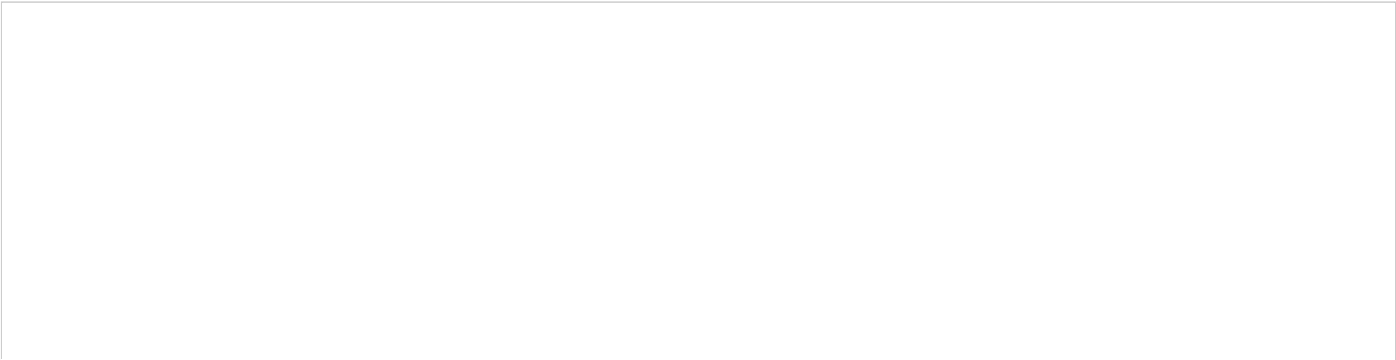

Robust and Long-Lasting

Durability is another key benefit of Ecotee Bamboo Castle Golf Tees. Unlike traditional wooden tees, which can break easily, our bamboo tees are strong and long-lasting. They can withstand multiple strikes, reducing the need for frequent replacements and allowing you to focus on your game. Additionally, our tees are mower-friendly, ensuring they won't damage golf course equipment.

Enhanced Golfing Experience

Make the switch to Ecotee Bamboo Castle Golf Tees and enjoy a superior golfing experience while making a positive impact on the environment. With their eco-friendly design, consistent performance, vibrant colours, and exceptional durability, our tees are the perfect choice for golfers of all abilities.

BUY NOW and treat yourself or gift them to a fellow golfer and take a step towards a more sustainable game today.
